To Whom It May Concern:

This letter confirms that the Newport High School (NHS) and its head boys basketball coach recognize, endorse and support the Newport Select Boys Basketball Club (NSBBC) as the exclusive boys basketball feeder program for the NHS and as the sole representative of Newport participating in the ETL/Cascade programs. We would appreciate any assistance and support you can provide to this organization and its players and coaches. Please do not hesitate to contact us with any questions.

Very truly yours,
