

September 12, 2019

Dear Families,

The cost for the 2019-2020 Winter season is currently \$750 per player which includes experienced coaches, two team practices per week, league entry, a sweatshirt, practice penny, and tournament fees. There is an additional cost for uniforms, backpacks and/or bags. We're offering a \$50 sibling discount.

Thanks,
NSBBC

September 6, 2019

Dear NSBBC Families,

We would like to invite you to attend our "Meet the Team" Open House prior to tryouts on 9/14 and 9/15. Some of our Board members and several of our Coaches will be there to meet you, answer questions, and share what we hope to achieve during the Winter season. This is also a great opportunity for you to invite friends or potential players to learn about our program.

Wednesday, September 11
6:30 pm - 8:30 pm
Newport High School Library, located on the 2nd floor

I look forward to seeing you there!

Sincerely,
Cory Sparling
Board President

September 4, 2019

NSBBC Families-

Practices will begin in October for our Winter basketball league. Our last communication stated that practices would not begin until November and that was our error. As soon as we can organize gym space for practices, we'll work with our coaches to get days/times sorted out. At this time, schools are prioritizing back to school and after-school gym usage. We'll continue to share information as it's sorted through and finalized but we did want to point out that **basketball practices will begin in October**. Please reach out with any questions: board@newportbasketball.com.

Thanks,
NSBBC Board
